# Welcome to The Middle East Investor Network

It is our great pleasure to welcome you to the Middle East Investor Network, the premier platform dedicated to empowering the region's institutional allocators and leading fund managers.

**Our mission is clear:** to unite investors with top global fund managers, fostering meaningful dialogue and collaboration. We are committed to providing the essential insights, critical education, and build high-quality connections that enable informed and strategic capital deployment across domestic, regional GCC and international markets. We believe that a strong community of investors and managers is the cornerstone of advancing capital markets in the region. By bringing together trusted partners and industry leaders, we aim to create a space where knowledge is shared, opportunities are unlocked and long-term value is built within the Middle East's growing investment landscape.

We are delighted to have you as part of this growing network, and look forward to supporting your journey with the resources, connections and insights you need to thrive.

Yours sincerely,

Joseph Houguez  
Co-Founder & Managing Partner

Oliver Kirkbright  
Co-Founder & Chairman

# Your Year-Round Gateway to Proactive Capital Raising, Fund Insights & Education and Vetted Institutional Access.

Membership to the Middle East Investor Network is more than a subscription; it is a strategic annual partnership. Members benefit from transferable corporate passes to all flagship summits and exclusive invitations to intimate pre-event LP receptions—crucial for facilitating targeted introductions. Beyond events, the partnership delivers continuous fund promotion and thought leadership across our newsletters and digital platforms. This all-inclusive package offers a substantial cost saving compared to purchasing individual event access.

# Join the Region's Most Influential Investor Network

Our premier platform empowers the region's institutional allocators and leading fund managers; by providing the strategic insights, principal education and vital connections needed for informed and strategic capital deployment across domestic, regional and international markets.

## Shaping the Future of Alternatives in the Middle East

Connecting **over 150 investment leaders** active in the alternative investment sector, ALTInvest is a private summit designed to **facilitate strategic partnerships** and drive **informed capital deployment** across Private Equity, Private Credit and Venture Capital

Attendees can expect a sunset reception, a series of education-led and carefully curated private boardrooms and facilitated one-to-one meetings, alongside inspirational TED-style keynotes.

Here, long-term relationships are forged and essential insights exchanged, collectively shaping the future of alternatives in the Middle East.

# Saudi Alternatives Exchange

سُورَةُ الْمُؤْمِنُونَ  
الْمُؤْمِنُونَ

18th November 2026

BAB SAMHAN  
DIRIYAH

SAX is a critical hub for institutional investors seeking to navigate the evolving **Saudi investment landscape** and a place for fund managers to connect with sophisticated allocators who are looking for high-quality, actionable opportunities in KSA and beyond.

Our purpose is to facilitate informed capital deployment across a wide range of **alternative investment strategies**, with a distinct emphasis on both **Shari'a-compliant** and conventional opportunities across the growing alternative investment scene in KSA.

As a private, exclusive and invite-only event that brings together **100 leading capital allocators**—including family offices, endowments, and corporate firms—with a select group of fund managers from Saudi Arabia and around the world, this one-day forum provides a unique platform for **high-impact engagement**, moving beyond traditional conferences to offer a series of intimate, deep-dive boardroom sessions and pre-arranged one-to-one meetings.

# Delivering Impact

Our purpose goes beyond creating connections, we are dedicated to driving measurable outcomes for our members and the wider investment community. By fostering collaboration between institutional allocators and global fund managers, we help shape informed capital flows, support sustainable growth, and unlock opportunities that generate long-term value across local and international markets.

## Flagship Summits

### Our three major conferences:

FutureFunds - 28<sup>th</sup> January, Abu Dhabi

ALTInvest - 8<sup>th</sup> April, Dubai

Saudi Alts Exchange - 18<sup>th</sup> November, Riyadh

## Curated Boardrooms

Small-scale, private discussions designed for targeted insights and peer-to-peer collaboration on critical themes.

## Exclusive Receptions

Intimate networking receptions specifically focused on relationship building in key financial centres.

# Words That Matter Most

"Refreshingly well-curated – small enough to allow genuine engagement, yet broad in expertise. It focused on meaningful conversations rather than the usual transactional feel of many events today. The roundtable format encouraged open dialogue and diverse perspectives, making it one of the most meaningful industry gatherings I've attended this year."

**Habeel Kanth**

Director, Tikehau Capital Middle East Limited

"The Saudi Alternatives Exchange event in Riyadh was excellent; well organised with a high-quality guest list. SAX created a space for meaningful conversations and genuinely insightful main stage discussions."

**Kate Macpherson**

Sales Director, Private Markets Solutions, MEA  
S&P Global

# Community Feedback

"The calibre of attendees, flow of the day, and the energy in the room all reflected the work the team puts into making the Middle East Investor Network a success."

**Rola Al-Shwaikh**

CEO, AUC Partners, and Investment Advisor,  
Private Office of H.H Khaled Bin Ibrahim  
AlQasimi

"Exceptionally well-organized, with high-caliber attendees and valuable discussions — really impressive for a first edition in KSA."

**Hatim AlFawaz**

Portfolio Manager, Fixed Income, Money Market  
Division, Sidra Capital

"A fantastic opportunity to hear from asset allocators and wealth managers about how they view risk and engage with them on how to navigate global macro uncertainties"

**Nicholas Michelon**

Managing Partner, Alagan Partners

"The overall experience was excellent. The organisation and logistics were outstanding, and the venue and set-up were at a very high standard. I was genuinely impressed by the quality and diversity of the participants – the caliber of people in the room was exactly what you would hope for at a serious alternatives-focused gathering."

**Enes Sehzade**

Chief Executive Officer, Founder, Equivator
